Garter brim:

Round 1: k around.

Round 3: k around.

Round 4: p around.

Proceed to Little Waves Pattern.

Little Waves pattern:

Rounds 1 +2: k around.

Round 3: *(k2tog) three times, (yo,k1) six times, (k2tog) three times* around.

Round 4: p around.

Work rounds 1-4 of Little Waves pattern 3(4,6) times total.

Now, knit all stitches around in every round until hat measures about 3.5(4, 5.25)'' or desired length from cast on edge, when measured from shortest part of brim.

Decreases:

Round 1: *k7, k2tog* around. 48(64,80) sts remain.

Round 2 and all even rounds until round 14: k around

Round 3: *k6, k2tog* around. 42(56,70) sts remain.

Round 5: *k5, k2tog* around. 36(48,60) sts remain.

Round 7: *k4, k2tog* around. 30(40,50) sts remain.

Round 9: *k3, k2tog* around. 24(32,40) sts remain.

Round 11: *k2, k2tog* around. 18(24,30) sts remain.

Round 13: *k1, k2tog* around. 12(16, 20) sts remain

Round 14: *k2tog* around. 6(8,10) sts remain.

Cut a tail of yarn about 8'' long, thread it through a yarn needle and run it through the remaining stitches. Cinch them in and gather the top of the hat. Weave in ends, and block if desired.

Finishing:

For a cute embellishment, you have the option to create an I cord, cut a length of coordinating ribbon, or crochet a chain about 12'' long.

I recommend using size 5 needles (or two sizes below whatever you knit the hat in) to create the I cord, or a size G crochet hook for the crochet chain, so that the yarn is a bit denser.

Once you have the desired length of ribbon, i-cord, etc, weave it through one of the groups of 6 eyelet stitches closest to the brim of the hat. Leave the two tails of the cord/ribbon hanging outwards towards you, then tie them into a neat little bow!
